probably free beer too haha. Rednecks know how to have fun and don't give a damn what anyone thinks about it. I envy them.

You can suck the farts out of my asshole, fag. Some of us have damn good reasons to not go, and I guarantee you I'm more of a patriot than your well-fucked ass is. I didn't take a hit in the military and get brain damage from it just to have to listen to whiny cunts like you strutting around like a pigeon playing chess.

As a matter of public record, I am offering my apologies to [u/DickCheneySux](#). My inability to go to DC today has contributed to my frustration this week. However, that's no excuse. I should have stayed on the high ground. I have neglected to follow my favorite phrase in the bible, Ephesians 4:32.

Too bad I am in CA, and we got our own battle with Gov. Newsom shithead. We Californians are rooting for the rest of US citizens to win back our country, and we are fighting to take back our state. California just enacted the \$14 dollar minimum wage while under lockdown... Looks like they are hard at work stealing our small businesses.

That is truly the answer....but let's face it, none of us are going to be patrolling for a dead sex dolls in a 99 Corolla. Even in a million deplorable invasion there exists some level of class decorum.
